Since 1946 Holiday Kitchens has been delighting homeowners with handcrafted custom cabinetry. Holiday Kitchens is dedicated to excellence with your complete satisfaction in mind. Our commitment to being the best value in custom cabinetry is what makes Holiday Kitchens cabinetry the smart choice for you and your home. It is because of this genuine promise, we offer to the original purchaser a Limited Lifetime Warranty.

Holiday Kitchens offers the original purchaser a Limited Lifetime Warranty on our cabinetry installed in their home or a non-repetitive commercial application against any defects in material and workmanship. In addition, we offer a Limited Warranty backed by the manufacturer on the drawer slides, hinges, and many of the accessory items used in our cabinetry. We will replace or repair, at our discretion, the defective parts with identical or similar parts of equal value.

Due to the inherent nature of wood expanding and contracting in accordance with the environment, some movement is allowed. Natural wood characteristics, such as mineral streaks, burls, grain patterns, etc., are also not considered defects. Additional characteristics of our Holiday Kitchens cabinetry are outlined in your awareness sheets attached to your order and should be read in their entirety.

This warranty applies only to cabinetry subject to normal home use and service. We will not assume responsibility for normal wear, damage, defects or failure caused by abuse, accidents, improper installation, improper storage, exposure to extreme temperature and humidity, negligence, customer modification or any type of misuse and/or conditions beyond immediate control of Holiday Kitchens.

This warranty does not cover expenses incurred while installing, removing, and/or repairing defective products. This warranty does not apply to natural features and conditions that are considered common characteristics of the wood, finishing, and/or the manufacturing process. This warranty does not apply to changes in finish appearance resulting from aging, exposure to sunlight, heat, or other environmental conditions.

In the event of a warranty claim with your Holiday Kitchens cabinetry you must notify the Holiday Kitchens dealer from whom it was purchased. Registration of the original purchaser's warranty must be made within 30 days of purchase to be effective.

Cabinetry handcrafted by Holiday Kitchens is some of the finest custom cabinetry available today. We strive to create cabinetry to serve you for a lifetime through a continuous commitment to improvement, excellence, and our customers. It is due to our continuous improvement efforts that we reserve the right to change or alter specifications without notice or obligation to previous or existing products.
